About the group

About Us

Givanas Group is a dynamic and innovative multi-business organization that operates across multiple industries, providing high-quality products and services to customers across West Africa. With a customer-driven commitment to excellence, innovation, sustainability, and social responsibility, Givanas Group is a leading investment management conglomerate with operations across 9 different companies with diversified business offerings ranging from manufacturing, distribution, trading, hospitality and print.

With a track record of over three decades of providing high-quality products and services to customers across West Africa, Givanas Group has established itself as a reliable and trusted partner for businesses and consumers alike.

Our Drive

At the heart of the Group's success is its dedication to innovation and continuous improvement driven by customer satisfaction. With a team of experienced and highly skilled professionals leading each of its companies, we are constantly exploring new ideas and technologies to stay ahead of the competition and deliver even better products and services to our customers.

Givanas Group business portfolio

Another key aspect of the Group's success is its commitment to sustainability and social responsibility. All of its companies are dedicated to operating in an environmentally friendly manner, with respect for humankind and supporting the communities in which they operate. This dedication to sustainability has helped the Group build a strong reputation as a responsible and trustworthy business partner.

Making a Difference Since 1993...

Givanas Industry Nigeria Ltd. is an indigenous manufacturer of high-quality cosmetic and personal care soaps in Nigeria. The Company was founded in 2007 to provide skincare products for individuals and families, using natural ingredients (locally sourced). Since its inception, Givanas has maintained consistent growth at unprecedented high numbers and we have managed to carve a niche as a major player and household brand in the soap and toiletries manufacturing landscape in Nigeria.

Givanas Industry Nigeria Limited is growing rapidly to become one of the leading manufacturers in Nigeria with a workforce of over 500 people. Our competitive advantage is derived from the fact that our products are made using natural ingredients with high aesthetic value, good aroma, and reasonable cost.
